iMin K1
KDS

- Oil and smoke resistant for superior durability

- 21.5 inch HD display for an immersive view with vibrant colourisation

- Optimal multi-capacitive touch screen

iMin´s K1 reinvents the traditional kitchen order process and retrieves tickets submitted by the POS system automatically. It manages orders in the system with the server to avoid missing or mistaken orders, promoting organised operations in the back kitchen. Great for any business which wants to streamline communications in ordering.
